

**AMENDMENTS TO THE CLAIMS**

This listing of claims will replace all prior versions and listings of claims in the application:

**LISTING OF CLAIMS:**

1 - 15. (canceled).

16. (previously presented): A hollow golf club head made of metal comprising:

a face portion;

a sole portion;

a side portion that includes an upper side portion corresponding to an upper half portion of the side portion and a lower side portion corresponding to a lower half portion of the side portion;

a crown portion that includes an hosel portion; and

a hosel portion,

wherein the upper side portion has a Young's modulus lower than the lower side portion and the hosel portion.

17. (previously presented): The hollow golf club according to claim 16,

wherein the crown portion and the upper side portion have a Young's modulus lower than the face portion and the sole portion, and

**AMENDMENT UNDER 37 C.F.R. § 1.114(c)**

Appln No.: 10/802,874

wherein the lower side portion and the sole portion is thicker than the crown portion and the upper side portion.

18. (previously presented): The hollow golf club according to claim 16, wherein the sole portion is thicker than the lower side portion.

19. (previously presented): The hollow golf club according to claim 16, wherein the lower side portion is molded by casting.

20. (previously presented): The hollow golf club according to claim 16, wherein an intersection angle between the crown portion and the side portion is larger than 90 degrees.
